CONSENT MOTION FOR EXTENSION OF TIME

KR Partners ("KR") hereby requests a three business day extension of time within which to file its opposition to the "Petition to Enlarge the Issues Against KR Partners" filed on March 25, 1993. Presently, KR's opposition would be due for

mix-up, since this engineer is no longer associated with KR's consulting engineering firm. These delays, coupled with a religious holiday at the beginning of the next week, are anticipated to cause a brief delay in preparing KR's opposition. An brief extension of three days is thus respectfully requested. Counsel for KES has consented to this extension request.

WHEREFORE, in light of the foregoing, KR Partners respectfully requests an extension of three business days, to April 12, 1993, to file its opposition to the Petition to Enlarge the Issues Against KR filed by KES Communications, Inc.

Respectfully submitted,

KR PARTNERS
